# Fashion Week II

July 16-20

To know the world of fashion it's key to study contemporary designers as well as those from the past. Each summer Fashion II focuses

on observing two professional designers and the details of their signature designs. This summer participants explore the Art Deco influences of Erte in Gucci's 2012 Spring collection

and touch upon the affect of the movie industry on fashion.

Spend mornings sketching to apply a unique stylistic spin to your designs. The week ends with a completed portfolio piece. Sew and add embellishments in the afternoons to a basic pattern completing your piece à la Gucci and Erte!

Fashion II ends with a photo shoot, makeup and hair styling session. Walk the runway in a fashion show for the week's finale!

Ages: 11-16

Times: 9:30am-5pm

Cost: \$370

Deposit: \$185
